DEAR LIFE

-esther vl khaungaihi

Dear life,

*What am I supposed to do ?
Why am I so sad and fragile ?
What is life ?
What do I live for ?*

Dear life,

*I' am lonely and fatigued !
Arousing general attention and laughter !
Everything seems so dark !
I' am choked up !*

Dear life,

*didn't even know how to tell.
Hostile attitudes eye's upon mine's,
several voices shouted;
loser ! loser ! loser !*

Dear life,

*I got scared; scared of everything,
Scared of abandoned; scared of life,
But not that much scared;
To take away my own life.*

*Though you hurts !
Though you scared !
Though you frightened !
The better; greater 'I' will come back !
said she; **dear life.***
